

Thank you for your interest in becoming a 2019 WHA sponsor! WHA's Sponsorship Program offers organizations exposure to our membership network across the healthcare industry and is open on a rolling basis. WHA and its members place a high value on sponsorships, which provide several mutually rewarding benefits. Organizations that sponsor WHA receive recognition as a valued supporter of our mission and values, as well as opportunities for marketing to, and networking with, our members. Sponsorships provide WHA with additional resources that enable us to plan high-quality events and provide our members other opportunities for professional growth.

All sponsorships include:

- Recognition on WHA website, including company name and logo on WHA homepage, and company description and website link on WHA's "Current Sponsors" page.
- Recognition in WHA publications.
- Right to display informational literature at each of our educational events throughout the year.
